I seek an organization where I can cultivate new skills and enhance my abilities. I am eager to contribute to a team that values growth and development. By embracing opportunities for learning, I aim to expand my knowledge base. I aspire to make meaningful contributions and thrive in any challenge.

Experience

Freelance Web Designer

2021

- Took an online course to learn more about web design and management, and successfully finished the course with the highest score
- Designed a website for a local TV by applying the skill received from the course and months of experience as a web designer, which resulted in the improvement of the website performance and web traffic by 46%
- Won the second place in the website design competition held by Studio Shodwe and received award money

Studio Shodwe Web Designer

- Worked together with the marketing team to create 10+ advertisement projects for local and global clients
- Worked individually to conceptualize the website design for new changes on the company's website and successfully chosen
- The concept design for the company's website has been applied and used until now
- Redesigned the official website of Reallygreatsite for improvement and expansion purpose, which produced a very satisfying result with an improvement on its performance by 30%
- Assisted the creative team to create a visually appealing website
